

ROAD COMMITTEE MEETING JUNE 26, 2015

John Stanley, John Parent, Larry Perkins by proxy if needed, Theresa Shaw and Pete Davis

5:03pm

Motion by John Stanley to reconsider our recommendation of awarding the paving contract to Bard Paving. Seconded by John Parent. Motion carries.

Motion by John Stanley, seconded by John Parent to recommend awarding the bid to Pike Industries, Inc. Their bid is below the budget amount approved by the voters and their quality of work previously done for the town is of high quality. Second recommendation, less preferred, is to award the bid to the lowest bidder who is on the MDOT list of preferred paving companies if the company has the resources and equipment to complete the projects to the best interest of the town. Recommendation the Select Board takes the time to research the best interest of the town versus bid amount. Motion carries.

Meeting adjourned at 6:30pm
