Town Manager Report

May 30, 2017

Solid Waste and Recycling:

- Thank you to all of our residents who participated in the Hazardous Waste Collection Day on May 20th. The event was very well attended.

Maintenance & Infrastructure:

- Spring road grading is complete
- Road and lot sweeping is underway.
- The Town's property at 1111 Main St. was listed for sale last week. We have had several showings and received an offer over the weekend.

Personnel:

- Several staff took vacation time in May, before the busy summer season.
- We are in the process of hiring a "backup" staff person for the Transfer Station, who will cover when regular staff can't. This will help when we have multiple staff absences, or during peak demand when other staff are unavailable due to their own workloads.

Announcements:

- I am working with the Rec Board, Robin, and a few residents to plan a combined Volunteer Appreciation / Ballfield Dedication event for July 22nd at 5:00pm.
- Absentee Ballots for the Town of Readfield and RSU are available.
