### Town Manager Report

June 26, 2017

#### Solid Waste and Recycling:

- All three participating Towns have authorized their Select Boards to execute the Interlocal Agreement developed for shared use of the Readfield Transfer Station. All three Towns will sign in July and I want to thank the Readfield Select Board and members of the public for their support of this endeavor.
- The Solid Waste and Recycling Committee met last week and helped establish priorities for improvements at the Transfer Station. They include lighting, pavement marking, and enabling attendants to discuss waste deliveries with residents prior to disposal.
- We will be conducting a traffic study at the transfer station during the month of July to gather detailed information on traffic patterns and peak use of the facility.

#### Maintenance & Infrastructure:

- Summer work is in full swing for our maintenance employees. As noted previously, roadside mowing will take place in July.
- The Town's property at 1111 Main St. is in process to be sold through a brokered sale.
- We had a successful stone cleaning workshop at the East Readfield Cemetery on June 17<sup>th</sup>. Many thanks to our Sexton and Cemetery Committee for improving and showcasing our cemeteries.

#### Personnel:

- I want to thank Tom Dunham for her service to the Town of Readfield. I have enjoyed working with him as a member of the Select Board and through his active involvement with the Solid Waste and Recycling Committee.
- Thank you to all who voted on June 13th, and thank you to all of our election workers and staff for their involvement.

#### Announcements:

- The annual Volunteer Appreciation event will be held on July 22<sup>nd</sup> at 4:00pm, and will include a dedication of the ballfield at the Fairgrounds. The event will be held at the ballfield and will include an "Ice Cream Social" for our volunteers and their supporters.
