Below please tell us of any experience and/or training that might be useful in this position. I have civil engineering degrees (up to PhD) and have specialized in traffic safety and worked on pedestrian and bicycle safety since the late 1970s; and I was the first to do academic research in the US on shoulder rumble strips and roundabout design. I have taught highway design, transportation planning and traffic safety at the University of Maine from 1992 until my retirement this year.

If you are currently employed, what is your position?

Professor of Civil Engineering at UMaine Orono through August 2023

Below please tell us the reason you are interested in applying for this position.

### Section E: Application Fee; Other Information

- 1. The license fee is \$50.00 plus a \$10.00 filing fee; make checks payable to Treasurer State of Maine.
- 2. The law requires the application to be submitted at least <u>24 Hours</u> prior to the function, however, a longer notice is appreciated to allow additional time for processing.
- 3. Once issued, this permit is not assignable and is valid only for use by the licensee named in this application and for the date, time, and location listed in this application. This permit is issued subject to Maine liquor laws under Title 28-A and the Bureau's Administrative Rules. Penalties for failure to comply with the laws and rules are provided in Chapter 33 of Title 28-A.
- 4. The Division is hereby authorized to obtain and examine all books, records and tax returns pertaining to the business, for which this liquor license is requested, and also such books, records and returns during the year in which any liquor license is in effect.
- 5. Payments to the Division by check subject to penalty provided by 28-A MRS Section 3-B.

### Section F: Diagram for Outdoor Events

### The following restrictions apply to outdoor events:

- There must be a stanchion or a fence completely enclosing the area.
- Signs must be posted stating "No alcohol beyond this point". V
- There must be sufficient employees at the event to control and monitor the area.

In an effort to clearly define the area that consumption and storage of liquor will occur during this outdoor event, diagrams must be submitted on this form and should be as accurate as possible. Be sure to label the areas of consumption and storage on your diagram.
