

PRELIMINARY DRAFT
Readfield Main Street
Solar, LLC
0 Main Street
Readfield, Maine

Legend

- Proposed Solar Array
- Proposed Site Access
- Proposed Temporary Staging Area
- Proposed Perimeter Fence
- Point of Interconnection
- Pad Mount Transformer
- AC Disconnect Pedestal
- AC Combiner Pad
- Proposed New Overhead Power
- Proposed Underground Power
- Limit of Disturbance
- CMP Three Phase Overhead Power
- Delineated Wetlands, Stantec
- Delineated Stream, Stantec
- Surveyed Property Lines, HEI
- Approximate Property Lines, MEGeo
- 200 ft Property Setback
- 10ft Elevation Contour, MEGeo
- 2ft Elevation Contour, MEGeo

- Notes:
1. Array sizing for 1.975 MW AC.
 2. The approximate solar array footprint is 9.1 acres.
 3. The total Limit of Disturbance is 19.7 acres.
 4. Wetland, stream, and vernal pool delineation provided by Stantec.
 5. Property boundary survey provided by Horizons Engineering (HEI).
 5. Aspects of this plan are approximate and from aerial imagery.
 6. The design shown is for the purposes of permitting.
 7. Publicly available data are provided by the Maine Geolibary (MEGeo).
