

22 Church Road, Readfield, ME 04355

On the National Register of Historic Places Since 1982

October 2, 2023

Eric Dyer, Readfield Town Manager
8 Old Kents Hill Road
Readfield, Maine 04355

Eric,

The Readfield Union Meeting House Board of Directors has reviewed and considered the latest design plans (dated September 8, 2023) for the proposed Church Road sidewalk project. The Board supports all of the proposed design features, including the sidewalk location on the Meeting House side of Church Road and the crossover further north.

We especially support the design of the 20 parallel parking spaces on the Meeting House side. As the Meeting House restoration approaches its completion, and our Vestry renovation progresses forward to a multi-use community facility, parking demands will undoubtedly increase several fold.

Thank you for considering our position.
