

Candidate Running for: School Board / 3 Year Term

Patricia Clark **RSU School Board**

Hi! My name is Patricia Morris Clark and I'm running for one of two RSU #38 School Board positions representing Readfield. I was appointed to the board last August to serve out the remainder of a term. I have found it tremendously rewarding and believe I can make a difference. Why? Because. . .

- I have over 17 years' experience teaching preschool, elementary and adult ed
- I have over 20 years of teaching experience at the college and university level in education and mental health. I taught and still teach social workers and today's educators how to teach young children.
- I directed one of the first all-day kindergartens in the state collaborating with Head Start.
- We provided early intervention and increased parent involvement.
- I was an early childhood chair and director of Early Childhood Studies at the university designing new courses and areas of study.
- Because of these varied experiences, I understand teachers' needs and administrators' budget concerns.
- I have the education and experience to represent you!

In my family life, my husband and I have three daughters, three granddaughters, and one grandson ranging in age from 3 to 16. We love to go boating in the summer and relish traveling and tasting new foods. We like reading and walking the trails.

I enjoy volunteering at Readfield Community Library story time, the Readfield play group, as a St. Andrew's Church lay leader, Southern Kennebec Child Development Corporation Head Start board member, as well as health and literacy organization.

Please consider voting for me in June!
