

**Sean Keegan
Readfield Select Board**

Hi there,
I wanted to take a minute to say hello, my name is
Sean Keegan, and I am running
for re-election on the Readfield Select Board.

I have lived in town for 17 years. My wife and I
spent the first few years of our lives renovating
our home on Sadie Dunn Road and really building our homestead.

Most recently we opened our sugar shack to people in town and were overwhelmed
by the number of Readfieldiens who came by to say hello and sampled what we
had to offer. We are a busy little tribe here; our three kids are mostly engaged in
sports of some sort or activity that keeps us hustling throughout town. Our eldest
son can be seen navigating Readfield Streets in search of a good fishing hole on his
bike while our other two still partake in local Rec Sports.

During my three years on the Select board I have learned a lot. I always respected
our town manager but now really see the volume of work he and his team do on the
daily. Being able to support that work, implement municipal services and local
interest projects has been a pleasure. But I feel I have just learned the intricacies of
being a board member, fully understanding the budget process and what's next for
Readfield.

What I think is next is finishing what the current and previous boards got
underway. Continue to advocate for a sensible budget from our county and school
board and be a presence at all meetings listening to the voice of all residents.

I look forward to meeting more of you Readfieldiens, soon!
