INSIDE THIS ISSUE:
- Select Board Corner: 2
- Town Manager: 3
- Revenues/Expenses: 8
- Cemetery Sexton Update: 10
- Mailbox Guidelines: 12
- Rec Basketball Info: 18
- Veterans Day Event: 19
Dear Neighbors;

Occasionally, Select Board members have an opportunity to discuss a matter with residents who are following up on an agenda item they observed on TV. We are fortunate to have our regular Board meetings broadcast on cable. The town of Readfield is doubly fortunate to have the services of Bill Starrett who is associated with the University of Maine’s Media Services department as our expert one-man station manager, producer, and broadcast crew. We owe Bill a sincere, ongoing thank you for all his professional guidance and service in this area.

Regular Select Board meetings are telecast live and rebroadcast on the Town's public access cable TV station, channel 1301 currently. We also broadcast key budget public hearings and some special events such as candidates’ nights or volunteer appreciations. Bill also uploads our recorded meeting broadcasts to YouTube so they may be viewed after meetings. This allows residents who did not or could not tune in live to still have an opportunity to watch the meeting. These videos can be accessed via a link on the Select Board's video section of our town website.

Public feedback informs us that this is a valuable service as part of Readfield’s communications efforts. Thank you to all who use and have supported this program.

Kind Regards;
Bruce Bourgoine
Select Board Chair

Readfield Transfer Station Attendant Booth FAQs

What is going on with the new building?
The new attendant booth will serve as a visual reminder and “home base” for vehicles to stop and see an attendant prior to unloading their waste. This means that most load inspections, cash handling, and receipting will be done in one location by one staff person prior to materials entering the unloading areas. The new attendant booth should be up and running in November. Thank you for your patience!

Why is this being done?
- Improved safety
  - Staff and facility users will make far fewer trips back and forth between the compactor building, standing stalls, and special waste bins.
  - Less chance of toxic / dangerous materials being brought into the Facility unnoticed.
- Improved fairness
  - “Ghost” items will no longer be dropped off without being charged appropriately.
  - Fees for items will be charged more regularly and more consistently.
- Improves efficiency
  - Staff and facility users will make far fewer trips back and forth between the compactor building, standing stalls, and special waste bins.
  - Facility users will get clear directions before they enter the unloading areas.
  - Staff can focus on specific tasks instead of trying to do everything all at once.
- Improved accountability
  - It will be much easier to make sure only people with passes are accessing the Facility.
  - One Staff person at a time will be handling cash and receipts (reconciliation will still be performed by multiple staff) - reducing errors and ensuring handling accountability.
  - Facility users will receive receipts for their payments
- Improved Environmental Stewardship
  - Public education and outreach on important waste management issues will be easier
  - Hazardous and special waste will be handled and disposed of properly

How will this affect me?
If you are just bringing in bagged kitchen or household waste and recycling use the center lane and you won’t have to stop long, just enough to tell the attendant you don’t have any items that need a special disposal or have a fee.

If you have any special waste or an item that requires a fee you’ll need to speak with the attendant and pay for the item and get instructions on disposal. Attendants will give you a receipt following payment.

If you have any questions, just ask. Transfer Station staff are there to help!

What lane should I use?
The map on the back of this sheet shows you what lane to use and where waste should go, but generally use Lane 1 if you have clean wood debris, shingles, or brush; use Lane 2 if all you have is household waste and recycling; and use Lane 3 if you have large bulky items, metal, and construction debris. The key is to allow for the quick moving traffic (no fees or slips) to pass through the middle lane.
SAFETY & TRAVEL TIPS:
- Drive slowly and watch out for pedestrians
- Stop at the stop signs and stop bars
- See an Attendant before depositing anything
- Do not drive or park on the striped pavement
- Only park in the designated parking stalls
- Only unload in designated unloading stalls (unless you are in Lane 3)
BOOK SALE

The Library Trustees would like to thank all who participated in our annual book sale held at the Readfield Fire Station during Heritage days. The sale was a huge success. Unable to accept donations at the Library due to building constraints, we asked people to bring books the day of the sale. It worked beautifully and we will be doing it that way again next summer. So save your books and bring them to the fire station the Saturday morning of the sale. If you donate a lot of books, it might be helpful (to us) if you could separate them by genre (non-fiction, fiction, children’s, etc.). Again thank you.

QUILT RAFFLE

Buy your chances at the Library circulation desk.

NOVEMBER EVENTS

Book Club - Maine Humanities Council " Let's talk about it" series:
Nov 25, 6:30 - Town Hall

SAVE the DATE

The Library tree lighting will be held Friday night, December 6 at 6:30 at the library with cookies and hot chocolate to follow at the Town hall. Rain date is Sunday, December 8 at 4:00.
Save the date for "Burns Night" - Saturday, January 25. Details in January.

Readfield Play Group Visits Readfield Community Library Nov. 7

Readfield Play Group plans a trip to Readfield Community Library November 7 at 9:30 a.m. on Route 17 in Readfield down a block and across the street from the Post Office and the Readfield Family Market. The group normally meets Thursdays from 9:30 to 10:30 a.m. at the Readfield Elementary School on Route 17. Preschoolers, parents, grandparents, and caregivers are invited to join in the fun at the Readfield Elementary School Thursdays. Children learn social skills as they play with others, listen to stories, and increase fine motor skills with crafts.

The Readfield Play Group is currently a partnership between Readfield Elementary School and the Readfield Community Library. The play group meets at the school in the small cafeteria except for the first Thursday in November and December when the group visits the library in downtown Readfield. The last 2019 dates for meeting at the library in the children’s room are Nov. 7 and Dec. 5. Questions can be directed to Patricia Clark at 841-5154.
Where in Readfield?

In 1989 this dam washed out in a spring storm. Recently stabilized and fenced in, it is a special spot.

ANSWER ON BACK PAGE

Keep up the great work, residents of Fayette, Readfield and Wayne

October update from Denise Mungen at ecomaine: As you know, the recyclables market is just that – a marketplace. As we heard Robin Wiener say at our annual meeting, a material isn’t truly recyclable unless there is someone who will buy it to turn it into something new. As such, prices are always moving – up and down.

Just as we’ve seen some prices fall over the past few months, we’re very pleased to see some materials increase substantially in value – demonstrating the importance of continuing to recycle for financial reasons as well as the ever-important environmental ones.

Said ecomaine CEO Kevin Roche, “HDPE #2 plastic values (think gallon milk jugs) just doubled this month, up to over $1000 per ton. We haven’t seen this kind of price jump in a very long time. While the primary objective of recycling is landfill diversion, at this value, it’s a shame that in those communities that don’t recycle, this material is ending up in a landfill.”

WASTE LESS SAVE MORE

RECYCLE COMPOST

Readfield Solid Waste and Recycling Committee
The Age Friendly Committee was awarded a grant from AARP’s Living Community Initiative. Pictures below show new low bleacher seating at the ball field, bike racks, ADA accessible picnic tables and benches at various locations along the trail. If you did not have time to enjoy them this year, put it on your calendar for the spring. They are intended for use by everyone!

LAST CHANCE!
Readfield’s Age Friendly Committee, Red Cross and the Handy Helpers will be available Saturday morning Nov. 2nd to install free smoke alarms. Please call the Town Office at 685-4939 if you would like volunteers to install smoke alarms in your home.

**CURRENT BOARD/COMMITTEE VOLUNTEER OPPORTUNITIES**

- **Age Friendly Committee**: 1 member (2021)
- **Budget Committee**: 1 member (2022)
- **Cobbossee Watershed District**: 1 rep (2022) & 1 alt rep (2021)
- **Conservation Commission**: 1 member (2021) & 1 alt member (2022)
- **Heritage Days Committee**: Many volunteer opportunities for 2020!
- **Local School Board Advisory**: terms: 2020, 2021 & 2022
- **Planning Board**: 3 Alternates-terms 2022, 2023, & 2024
- **Road Committee**: 3 vacancies (all 2022)
- **RSU #38 School Board**: Immediate vacancy due to resignation (2020)
- **Solid Waste & Recycling Committee**: 1 member (2022)
- **Trails Committee**: 3 member terms 2021, 2022 & 2022; one Alternate 2020

If you are interested in joining any of the above committees/boards please complete the appointment application at [www.readfieldmaine.org](http://www.readfieldmaine.org) or stop by the Town Office for an application.
Cemetery Sexton Update

Fall Clean Up and Other Grave Matters

The never ending battle with falling leaves has begun and the removal of any items that are faded, worn or not seasonally appropriate will commence by mid-November. If there are any items left on a loved one’s lot that you would like to keep, please remove said items at your earliest convenience. If you have any questions or would like to make special accommodations related to the removal of personal items please contact the Sexton at:

Office Phone: (207)-685-1812
Cell Phone: (207)-557-2790
Email: sexton@readfieldmaine.org

Beyond the annual fall clean up reminder, Anna and Ben would like to thank the Maine Old Cemetery Association and all those who were involved in their annual fall program. Dale Potter-Clark provided a captivating glimpse of the town in the early 19th century. Dale also led a tour through town and Readfield Corner Cemetery, providing a rich understanding of Readfield’s past that we were all very grateful for. The Friends of the Vestry from the Union Meeting House put together an absolutely delicious lunch with a stunning set up for each table to match. We are very thankful for the time they invested in making sure we all left with a full stomach and plenty of cookies for later. We also cannot forget to send along a special thanks to Deb Doten and Andy Tolman for their willingness to speak on behalf of their passion for cemeteries and the reasons behind their involvement in preserving Readfield’s cemeteries for future generations. Be on the lookout for future opportunities to learn about Readfield’s past though the many cemeteries in town!
NEWS & NOTES FROM THE TRAILS

Well, by the time this article goes to press for The Messenger, the beautiful fall colors and October’s full Harvest Moon will probably just be blurs in our rear view mirrors as we flip our calendars and welcome November. However, this informational piece is covering primarily the volunteer effort by Maranacook juniors and their advisors on their annual Day of Caring.

On October 3rd, MCHS juniors, their advisors, and several Trails Committee and Readfield Conservation Commission volunteers converged on the trails system at the Community Pathway located behind the library that runs to another entrance/exit on Church Road. After laying down a 4 foot wide section of geotext material for stabilization of the trail, the group hauled wheelbarrows loaded with blue stone to lay down a 4” coating covering the material, and then raked it out as evenly as possible. This type of labor is not easy as the blue stone has to be shoveled into the wheel barrows and then transported to the drop zone that is usually many yards away.

While that group was working behind the Readfield Union Meeting House, another group of juniors and adults was hauling wood chips for a possible trail at the fairgrounds that will help visitors acknowledge and hopefully appreciate a significant historical landmark dating back to the annual fairs held at the fair grounds, especially keynoting the pulling stones and some hardware dating from the 1800’s used by oxen for the pulling competition. The Readfield Historical Society will eventually be placing signage at the location, possibly similar to the type installed at the Mill Stream Dam site a couple of years ago.

The Readfield Trails committee and RCC greatly appreciate all the efforts by those involved on October 3rd. Maranacook juniors have contributed mightily of their time and physical efforts for many years to help maintain and enhance Readfield’s trails system. Below is the list of students, advisors, and committee members involved on October 3rd.

**Students**
- Jared Philbrook
- Noah Jones
- Marie Brosny
- Michael Cirello
- Yevy Doorenbos
- Andrea Harmon
- Rocco Beane

**Advisors**
- Ruben Sivertsen
- Maddie Ballard
- Cash McLure
- Marah Rand
- Andrew Dupuy
- Jacob McCracken
- Hannah Moran
- Sam Smith
- Tina Brackley
- Anya Davidson

**Trails Committee**
- Jeanne Harris
- Paul Bessette
- Bob Harris
- Greg Durgin

**Conservation Commission**
- Bruce Hunter
- Tim Sniffen
- Greg Leimbach
- Jerry Bley

On October 21st Kents Hill students and staff will be once again be offering their day of service to the community. Information about their efforts will be detailed in the December Messenger.

A quick reminder to please adhere to state law regarding leashing pets on the trails and it is always good etiquette to remove pet waste.
Town of Readfield Mailbox Guidelines

Readfield’s snow plowing contractor will take all precautions to avoid striking mailboxes with the wing of the plow. Below are some tips for mailbox placement to help reduce the chances of damage during winter plowing:

- Mailbox post size must not exceed 4" by 4" for a wooden post or 2" diameter for a steel pipe post for roadside barrier safety. Posts that are more substantial in construction are considered "deadly fixed objects" and are not permitted within the Town’s right-of-way.
- Mailboxes and any supports should be installed at least 42 inches high to provide clearance for the plow wing as shown in the picture. We recommend the use of an extended arm type of post with a free-swinging suspended mailbox. This allows snowplows to clear near or under boxes without damage to supports and provides easy access to the boxes by carrier and customers.
- Below you will find a sketch showing the recommended location for your mailbox. Placing the mailbox on the side of your driveway away from approaching traffic will allow plow truck drivers to properly clear the roadway and to get as close as possible to your mailbox to minimize the amount of shoveling you will have to do to clear the mailbox for the postal carrier.
- For uncurbed roadways set the mailbox back at the far edge of the road shoulder (at least 3 feet back from pavement edge, when possible) to provide the maximum possible roadway clearance. For curbed roads the face of the mailbox should be 8-12 inches back from the curb face.
- To assist emergency vehicles, please place reflective material on the side of the box visible to approaching traffic with 4" high letters to identify the address.

In the event you believe your mailbox has been damaged by the plow contractor we ask you do the following:

- Make note of the circumstances surrounding the damage and if possible take a picture of the mailbox and the area around it.
- Report the issue to the Town Office at 685-4939 or at www.readfieldmaine.org/maintenance-department/webforms/work-request-form
- Make any needed temporary repairs. If you are unable to make such repairs on your own please call our Snow Plow Contractor, John Cushing at 242-8075 and his crew will attempt to repair or replace the mailbox when time permits.

Substantially damaged property will be replaced in the spring with a basic metal mailbox. Newspaper boxes will not be repaired or reset by the Town or plow contractor in any event. The Town and plow contractor will not replace or reimburse for custom made mailboxes, ornate posts or granite post, etc., existing mailboxes with rotted posts or in obviously poor condition, or any mailboxes that have not been located according to these guidelines. State of Maine law views mailboxes as an encroachment in the public way put there at the owner's risk and municipalities are not legally liable for any damage or repairs to mailboxes due to snow removal operations.
The Mount Vernon First Baptist Church Food Bank presently is in need of volunteers who have the desire to help others, have reasonably good health, and have time in their schedule. Some duties are helping and serving customers, carrying groceries, driving to pick up food donations, and unloading goods. Extra involvement is appreciated during the Thanksgiving and Christmas holidays. We especially need volunteers who can: lift cartons which are sometimes heavy, offer roomy vehicles for transporting boxes of food, make weekday pickup runs to Augusta or Auburn, Saturday to Winthrop. If you are interested, please call Bob Peterson @ 685-7292.

**Black Bear Boutique and Maranacook Food Pantry**

Maranacook Community School is pleased to provide support to our community through the Black Bear Boutique and Maranacook Food Pantry.

With colder months coming and the high cost of clothing, the Black Bear Boutique helps students by providing quality used clothing for free. Students will find jackets, sweaters and pants, footwear and gym clothes. Clothes for all seasons are also available. The Boutique is open to everyone during school hours.

The Maranacook Food Pantry, "Sandy’s Place", is also open during school hours, and may be accessed after school by contacting Ellen Turgeon, school nurse. Our shelves are stocked with non perishable food items as well as basic hygiene products. Backpacks are available for students to take home food for their families at any time.

Both of these services are supported by Maranacook staff and community volunteers. If you would like to make a donation, please stop by the Health Center or call Ellen Turgeon at 685-4923 ext. 1033.

**Mount Vernon Food Bank**

*open every Saturday morning*

*9:30 am to 11:30 am*

People in Readfield who find they are in need at any time during the year do not have to go hungry. The Mt. Vernon Food Bank, located at the First Baptist Church in Mt. Vernon, serves the people of Readfield in addition to Vienna, Fayette and Mt. Vernon. It is supported by the schools, churches and individuals from the area.

Those who are not in need of the food service can become supporters of the Food Bank with tax-deductible checks made payable to the Mt. Vernon Food Bank.

If you are in need of help during off hours, please call: Betty White 480-1525 or Helen Wilkey 293-2351.
Readfield Blizzard Busters Snowmobile Club proudly presents its newest addition

It’s hard to believe that the summer season is over and the winter season is right around the corner. Fall is the time we begin preparing the trails for our favorite winter pastime - snowmobiling. We work every weekend in the fall, weather permitting, trimming existing trails, repairing or building bridges, and cutting back brush whose sole goal it seems is to narrow the trails. On occasion we are lucky enough to create a new trail as we did last year through the Augusta Water District property. We are extremely grateful to our many private landowners who graciously allow trail access. Each year we honor them by inviting owners and their families to a delicious dinner in late October, all prepared by club volunteers.

Summer season may be a bit slower for our volunteers, but certainly not without projects. Over this past summer our trail crew gathered to build two drag rollers to tamp-down the trails after a freshly fallen snow. This process will help in keeping our trails in tip-top shape even immediately after snowfalls. I only joined the club about five years ago, after moving to Maine year-round, and I am constantly learning the process of grooming and what it takes to make trail conditions as nice as they are. If anyone is interested in helping our mission, we meet most Sunday mornings at the Readfield firehouse at 8:00am. A call to Peter Zarella at 207-441-3146 or Lee Livingston at 207-685-4203 will provide details on projects each week.

On another note, Club membership is currently open and all members, new and old are welcome to join. Club dues are $30.00 annually for family membership and can be sent to RBBSC, PO Box 62, Readfield, ME 04355. Meetings are held the first Wednesday of each month at the Maranacook High School at 7:00pm.

We have a winner for our rifle with scope raffle. Congratulations to Donny Clark, Readfield resident, who was our lucky winner.

Let it snow – We will be ready!
Marge Livingston, Secretary
RBBSC
You are cordially invited
to be our guest on Thanksgiving Day.
Thursday November 28th, 2019
Dinner will be served from 11:30 a.m. to 1:00 p.m.

4th Annual Children’s Christmas Shopping Day
December 14th, 1:00 p.m. - 3:00 p.m.
We are having a community-wide children’s shopping day on December 14th. Children from the age of 5-12 will be able to come do their Christmas Shopping for their family. This is a community event and we need your help. Please look around your home for gently used items that children might like to give as gifts to parents or brothers and sisters, the items such as neck ties, unused candles, new soaps, jewelry, house decorations, toys, etc. If you purchase small items for this event we would appreciate the donations, too. The Church Office is open from 8:00-12:00 Tuesday –Thursday or you can call us at 685-4211 or email office@readfieldchurch.net. Please have the items at the church prior to December 1st.

Annual Christmas Fair
Saturday December 7th, 9:00 a.m -2:00 p.m.
Wreaths custom decorated,
Cookie walk, baked goods, homemade gifts
Silent auction of gift baskets, goods & services
Haddock chowder, corn chowder,
crabmeat & chicken salad sandwiches, pie luncheon
On October 17th the Board of Directors for the Readfield Union Meeting House held its annual election of officers. The following were re-elected to their current positions: President- James Tukey, VP- Nancy Perry, and Milt Wright were once again re-elected to 3 year terms.

The Board of Directors accepted with deep regret the resignation of Karen Peterson from the Board. She has had a vital role in the restoration efforts of the Readfield Union Meeting House. Thank you Karen for your years of service and we look forward to your continuing support.

On October 3rd Maranacook High School’s Make a Difference Day, two students, Yevy Doorenbos and Marie Brossy, tackled what has to be one of the most tedious jobs there is. They worked with prying tools to remove carpet tacks that had held down the rug that was installed in 1868. Long gone was the rug but the tacks remained on the edges of the walls and pews. Thank you both for a job well done and for truly “making a difference”.

Fall and raking leaves go hand-in-hand. Four Kents Hill School students, a staff member, plus a small community member, had a similar volunteer day out on October 21 to help in the community (see picture below).

In November we will be sending out notices for our 2020 Membership Drive. We will be utilizing email addresses to reach as many current members as possible thus saving on postage. Hard copies of the membership letter will go out to those for whom we do not have email addresses.

With our summer and fall programs winding down, our committees are working on programs, fund raising, and grant applications for next year. We are always looking for volunteers to help us with our goal of restoring the Readfield Union Meeting House. Your New Year’s resolution could be to “get involved” and help us.

Happy Thanksgiving to all.
READFIELD TO HOLD SPECIAL VETERANS DAY EVENT

An event honoring all Veterans will be held in Readfield on Monday Nov. 11th in which the Third Maine Infantry (Civil War re-enactors) will participate. Members of Readfield's Historical Society, Selectboard and United Methodist Church have planned the event.

Participants should gather at the Readfield Corner Cemetery, Church Road by 10am, for a special remembrance of some Civil War soldiers whose memorials and graves are there. From the cemetery the Third Maine will lead the way to Asa Gile Hall, 8 Old Kents Hill Road, for a closing ceremony at 11am in honor of all Veterans. All are invited to march along or those who are not able to walk that far can follow in their vehicles. The Third Maine will do two musket volleys along the way, at the cemetery and outside Gile Hall.

Following the ceremony a free soup, bread and dessert luncheon will be served in Fellowship Hall at the Readfield United Methodist Church on route 17, Kents Hill. Members of the Third Maine will be present to share information about the Regiment during that time as well.

All are welcome to join in for this special remembrance and honoring of those who have served in the U.S. Armed Services. To begin, at Readfield Corner Cemetery, parking is available at the Old Fairgrounds parking lot or in the north end of the cemetery. Please invite and / or bring Veterans you know. FMI contact 441-9184 or crossings4u@gmail.com.

RHS will open by appointment for as long as weather and temperatures allow. Summer hours will resume on Memorial Day weekend 2020. To make an appointment, or if you have questions about any aspect of Readfield history, contact readfieldhistorical@gmail.com or (207) 377-2299.

Answer to ‘Where in Readfield’: The Factory Square dam site is at the end of Mill Stream Rd., or can be reached by marked trail from Old Kents Hill Rd. Look over the stream from a footbridge; view the former pond area from the dam; historic sign and picnic table. A reminder of former times in our town.
