

TOWN OF READFIELD

8 OLD KENTS HILL RD. • READFIELD, MAINE 04355
TEL. (207) 685-4939 • FAX (207) 685-3420

Application for New Road Name

The undersigned hereby apply for the naming of a new road pursuant to the requirements of the Addressing Ordinance of the Town of Readfield. All routes providing vehicular access that serve two or more dwellings thereon shall be named regardless of whether the traveled way is publicly or privately-owned.

The Addressing Ordinance is administered by the Addressing Officer. The Road Commissioner shall approve names that are in compliance with the Addressing Ordinance. The owner(s) of the developed lots benefited by traveled ways may apply for the name of the road. In the event the owners of these lots, or the owners of the dwellings thereon, cannot agree on a name that complies with the criteria in the Ordinance, the Select Board shall be the final authority when assigning a name.

Name of Applicants: (1) _____
Current Mailing Address: _____

Telephone Number: _____

Name of Applicants: (2) _____
Current Mailing Address: _____

Telephone Number: _____

Directions to the property from the Town Office (include a sketch map on the back side of this page):

The lots with structures being benefited by the proposed road are identified on the Assessor's map _____ as Lots: _____.

There is a \$100 fee to pay for the town's cost of purchasing and installing the first road sign and post. The Town will thereafter be responsible for maintaining the road sign except that, in the event a road sign is repeatedly stolen, damaged or destroyed for whatever reason, the town then may take whatever action deemed appropriate to prevent this re-occurrence—including the renaming of the road. A check or other evidence of payment in this amount must be included with this application.

Proposed Road Name: 1st choice: _____ 2nd choice: _____

The above applicants are in mutual agreement to the above-proposed road name and agree to display the numbers assigned by the E-911 Addressing Officer according to the specifications described in the Addressing Ordinance.
